RESEARCH REPORT

#001

The cover features a composite image. The background is an aerial view of a residential neighborhood that has been severely flooded, with water reaching the roofs of many houses. In the foreground on the right, a soldier in full combat gear, including a helmet and goggles, is shown in profile, looking out over the flooded area. The overall color palette is dominated by blues and greys, with the brown roofs of the houses providing a stark contrast.

Violent Climate Imaginaries: Science-Fiction- Politics
